

## NATIONAL COUNCIL FOR CONSTRUCTION

### NOTICE TO CONTRACTORS AND THE PUBLIC

(GAZETTE NOTICE NO. 151 OF 2010)

Registered contractors list for 2010

The National Council for Construction (NCC) published a Gazette Notice of contractors registered by it in the Times of Zambia and the Zambia Daily Mail between June 7, 2010 and June 10, 2010.

The National Council for Construction would like to inform contractors and members of the public that the list published is not a comprehensive one as it only contains names of those contractors who renewed their registration or registered with the Council between October 1, 2009 and January 7, 2010. The publication was done in compliance with Section 13 of the NCC Act No. 13 of 2003.

However, contractors whose registration was done later than January 7, 2010 will have their names published in another Gazette to be issued later in the year.

Clients, would-be clients and other stakeholders are advised to deal only with contractors whose names appeared in the said Gazette as well as those who have authentic NCC Registration Certificates for 2010. If in doubt, please contact the undersigned on +260 976 337 461 or +260 211 240 386.
