

2025 BuildZambia 2025 CONFERENCE AND EXPO

CALL FOR PARTICIPATION DELEGATES and EXHIBITORS

Theme

"Building a Resilient Future: Innovation, Sustainability, and Inclusive Growth"

The **National Council for Construction (NCC)** under the Ministry of Infrastructure, Housing and Urban Development will this year host the **BUILD ZAMBIA 2025 CONFERENCE AND EXPO** from 23rd – 25th September 2025 at the **Mulungushi International Conference Centre** – KKIC Wing, Lusaka, Zambia

Zambia's construction sector remains pivotal to national transformation through infrastructure development, employment creation, and economic diversification. However, the sector faces pressing challenges including financing constraints, climate vulnerability, and uneven access to opportunities for small and medium-sized enterprises (SMEs).

To address these and position Zambia at the forefront of sustainable and inclusive infrastructure growth, the **National Council for Construction (NCC)** is organizing the **2025 Build Zambia Conference and Expo from 23rd to 25th September 2025**. This landmark event will convene public and private sector leaders, local and international stakeholders, and technical experts to co-develop strategies for building a resilient construction industry.

His Excellency, the President of the Republic of Zambia, is expected to officiate the opening ceremony, reaffirming Government's commitment to innovation, job creation, and sustainable development in the sector.

OBJECTIVES

The 2025 Build-Zambia Expo aims to:

- Provide a multi-sectoral platform for knowledge exchange, networking, and business-to-government engagement.
- Showcase construction technologies, digital innovations, and sustainable building solutions.
- Promote private sector participation in public infrastructure through PPPs and CDF-driven initiatives.
- Drive discourse on regulatory transformation, skills development, and inclusive growth.
- Highlight Zambia's infrastructure investment potential to regional and global stakeholders.

EXPECTED OUTCOMES

- Strengthened public-private dialogue on construction sector financing and regulation
- Expanded business networks and investment leads for Zambian and foreign participants
- Improved awareness and implementation of climate-smart and gender-responsive infrastructure practices
- Actionable recommendations for policy and institutional reform in the construction industry
- Greater participation of local contractors and SMEs in CDF-funded and PPP infrastructure projects

THEMES AND SUB THEMES

THEME	SUB THEME
Construction Finance and Access to Capital	Exploring innovative financing solutions, risk mitigation instruments, and the role of financial institutions in enabling sustainable infrastructure growth.
Public-Private Partnerships (PPPs) and Investment Models	Promoting PPPs as strategic tools for delivering public infrastructure with private sector efficiency and innovation
Implementation of the Constituency Development Fund (CDF): Opportunities for Local Contractors:	Examining how the decentralized CDF model can drive local infrastructure delivery, community empowerment, and SME growth.
Digital Transformation and Smart Construction:	Embracing Building Information Modelling (BIM), digital permits, AI, and other emerging technologies for more efficient, transparent, and data-driven construction.

Climate Resilience and Environmental Sustainability:	Advocating green building practices, Energy efficiency, renewable energy integration, and environmentally sensitive infrastructure planning
Skills Development, Local Content, and Youth Empowerment:	Strengthening vocational training, inclusive employment, and local supply chains to build a competitive and future-ready workforce.
Regulatory Reform and Standards in Construction	Enhancing governance, building codes, procurement systems, and compliance frameworks to ensure quality, safety, and accountability
Gender Inclusion and Social Equity in the Built Environment	Mainstreaming gender and equity considerations in infrastructure design, implementation, and oversight

EXHIBITION AND SPONSORSHIP OPPORTUNITIES

Running alongside the Conference, the Expo will offer Booths for local and international exhibitors to display their innovations, services, and products. Customized Sponsorship Packages are available for institutions interested in Branding or headlining key Sessions and Social events
